

GOOD STANDING AGREEMENT

In order for your child to have the privilege of riding the Christensen Orthodontics Shuttle Bus the Patient and Patient Account must meet the following standards:

1. **Compliance:** This means that the patients should be following Dr. Christensen's instructions when caring for their mouths and braces, i.e. good hygiene, wearing rubber bands, etc. If a patient is behind in their treatment due to their actions or inactions, they will not be allowed to ride the bus.

2. **Delinquent Accounts:** The patient account should not show any past-due payments. Patients of any delinquent accounts will not be eligible for Shuttle Service. Accounts should already be paid in full or be up-to-date on their payments. If you need to make a payment contact our financial coordinator at 208-798-4427.

3. **Bus Etiquette:** There is a lot of bullying, bad language and inappropriate behavior that happens on school buses. This will not be tolerated on the Christensen Orthodontics Shuttle Bus. If there is a problem we will talk with the child and contact the parents. If the behavior continues we will have no choice but to end Shuttle Service to that patient.

This is a complimentary service that we are providing to you and your children. Only those who follow the rules and guidelines will be permitted to take advantage of this service. Throughout the course of treatment if conditions change with your child's compliance or you become delinquent in your payments, bus service will be stopped for your child. It is also very important for us to be able to have the parent at the appointment if there is a compliance or financial issue so that we can communicate face to face about these important issues. It is a privilege to ride the Christensen Orthodontics Shuttle bus and only those that follow the rules will be allowed this privilege.
